“ *Rob, Sean & Carol -*

Sorry to hear about your Dad, I often recall the time spent over your house growing up and seeing him and your Mom. I was out of town until last night, and could not make the service.

Your are all in my thoughts as with my parents.

“ Please accept my sincere sympathy on the loss of your Dad. We grew up together in Hartford. The Fleet family lived on Tremont St; the Dwyers lived on Warrenton Ave. We went to Noah Webster together and then to HPHS. Last saw Billy at our 50th high school reunion and we chatted for a while. From that brief conversation, I learned that he was missing his late wife, terribly and that he thought the world of his family. As you say goodbye to him, hope it helps to know that he touched other lives and that those he touched remember him with affection. May the Good Lord comfort all of you.

“ Please accept my sincere sympathy in your loss. I was a classmate of Bill's at Noah Webster School and HPHS. I last visited with him at our 50th high school reunion. My remembrances of him in grammar school particularly were of a very nice, quiet young man. May the Lord comfort all of you who loved him.
Sincerely,
