“ Dear Dee & Chris & families,

He was your Dad, Grampa and Great-grampa - he was my favorite cousin and especially in our early years growing up together, almost like the that brother neither of us had. We played and fought and competed over darned near everything (stupid Monopoly games especially come to mind!!), but we were ALWAYS best friends. We spent many Summer days visiting, often together, the many "Williams girls" and brothers, playing with our other cousins in Maine, Massachusetts and Connecticut Life was good!!

A favorite remembrance was Bill and I riding in the COLD & windy "rumble seat" of my father's Packard coupe, from Hartford to Maine for one of our two Summers spent at Camp Gregory. Another memory, that for whatever reason, has returned to me many times over the years, was Bill and me in bed, probably in the late 40's or early 50's, in "auntie Evelyn's" apartment on Broad St. singing "Home on the Range". It had been sung by Roy Rogers (he WAS the King of the Cowboys, ya know!) in a movie and it was our favorite. Maybe it was the first time I realized what a great voice Bill had, I don't know why, it is just a favorite memory that returns to me often.

Unfortunately, as adults, outside of a few years living in 2 small (very small!) apartments in the same building on Crown St in Hartford while all our kids (you guys!) were very young, life happened and our times together, while always enjoyable, were too few and too far between. I missed him. I loved him.

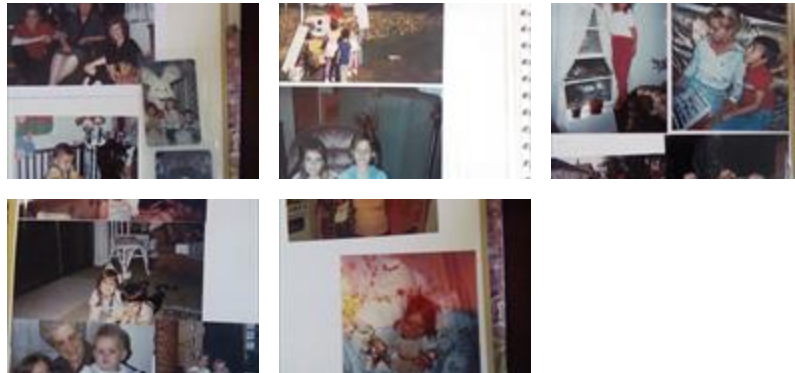

My love to you all,

“ Dear Chris, Dee and family,

Jack and I wish you our deepest sympathy at your Dad's passing. My memories of Billy are childhood ones. Billy lived with us on Stevens Street from preschool on.

We played, fought, got into trouble together and laughed throughout our childhood years. We remained close until we each married and moved away.

Your Dad was a wonderful kid and very much a brother to me in those days.

I pray your memories of him bring you peace and love.

Fondly,

Pat and Jack Delaney
