

Zakhary Fayngersh

July 17, 2023

Zakhary Fayngersh of West Hartford died Monday, July 17th. He was 83 years old. He lived for the past 43 years in West Hartford, Connecticut, and the first 40 years in Odesa, Ukraine – a city of his youth that he loved. His US passports listed his birth place first as the USSR, then Russia, then Ukraine, and finally Moldova where he was born, yet living in America was his life's dream. He thought of himself as a true American and loved this country. His children, Vadim Fayngersh of Denver, CO and Diana Lee of Concord, MA, are forever grateful to him for bringing them to the US, so that they could fulfill their potential and that his grandchildren, Alanna, Hannah, Kai, Sylvie, and Micah, would live free.

He was a caring and committed son to his parents, Khaya and Emmanuel Fayngersh, and a devoted husband to his wife, (pre-deceased) Galina Fayngersh.

He was a generous and open person who helped many of his compatriots newly arriving to this country, relatives and strangers alike.

He was a successful and brainy engineer with dozens of patents both here and in the USSR, good at his work and deservedly proud of his accomplishments. He instilled in his children the importance of hard work and was very proud of them and their achievements.

In addition to his son, daughter, and grandchildren, he leaves his sister Bronislava Sokol, son-in-law John Lee, and cousins and nephews. He will be missed by many.

Services will be held at the Molloy Funeral Home, West Hartford, CT on Thursday July 20 at with gathering at 9:30am, services will begin at 10. In lieu of flowers donation in Zakhary's name could be made to HIAS.org.
