“ *Zhian was a ray of sunshine of kindness and loving encouragement and exemplary character. We miss him and pray for the progress of his noble soul in all the worlds of God and for the comfort of his dear family.* ”

“And the honor and distinction of the individual consist in this, that he among all the world’s multitudes should become a source of social good. Is any larger bounty conceivable than this, that an individual, looking within himself, should find that by the confirming grace of God he has become the cause of peace and well-being, of happiness and advantage to his fellow men? No, by the one true God, there is no greater bliss, no more complete delight.” (‘Abdu’l-Baha, Bahá’í Writings)

“ *Zhian was such a strong and sweet spiritual man - a special rarity. We can be sure he is now helping us from his lofty station among the concourse on high. "Such a soul provideth, at the bidding of the Ideal King and Divine Educator, the pure leaven that leaveneth the world of being, and furnisheth the power through which the arts and wonders of the world are made manifest."*
